What is **Forex** ?

When you Exchange your Currency to any Other Currency, Such as Dollar, Euro, Pounds.

That is Called Forex Exchange

Forex, short for "foreign exchange," refers to the global marketplace where currencies are traded against each other. It is the world's largest and most liquid financial market. In the forex market, participants exchange one currency for another at an agreed-upon exchange rate. This exchange rate determines how much of one currency is needed to purchase a certain amount of another currency.
